

BUILDING FUND

Have you thought of three language congregations worshipping God under one roof? With enough facilities for our Sunday School, Switch, Fellowships and other outreach activities such as Playgroup, English/Mandarin classes, Boy Brigade?

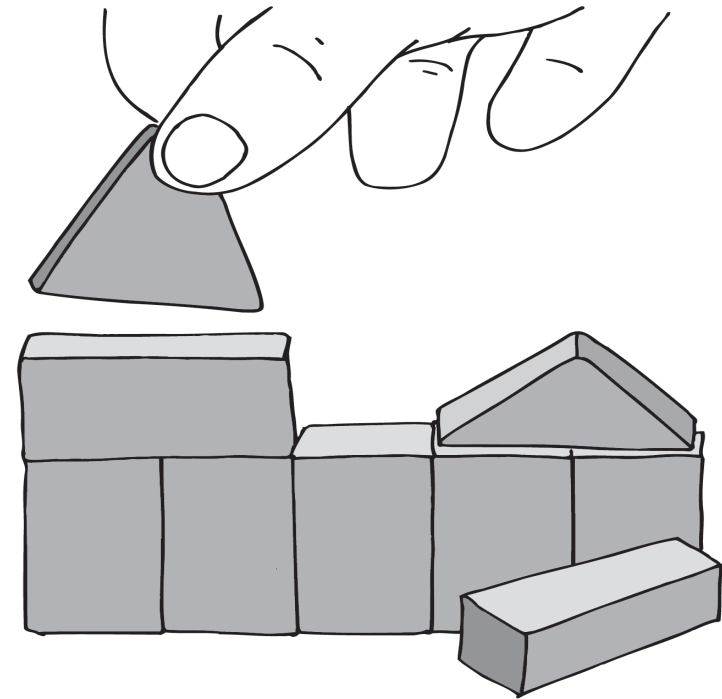

We need a building with over 2500 sq.m usable space (with main hall, side hall, various classrooms, offices, kitchen, store and etc).

To start the ball rolling, we need to set up the Building Fund. The total estimated cost to build such a facility (with the acquisition of land) will be in the order of 15 millions. Please pray for God's provisions so that we can have a proper place to carry out His works to glorify His Holy Name.

For donation to the building fund, you can use the Church offertory envelope and marked for "Building Fund".

Enquiry: Senior Pastor, K T Chan (Chairman, Deacon Board) or
Raymond Yu (Financial Secretary, Deacon Board)
